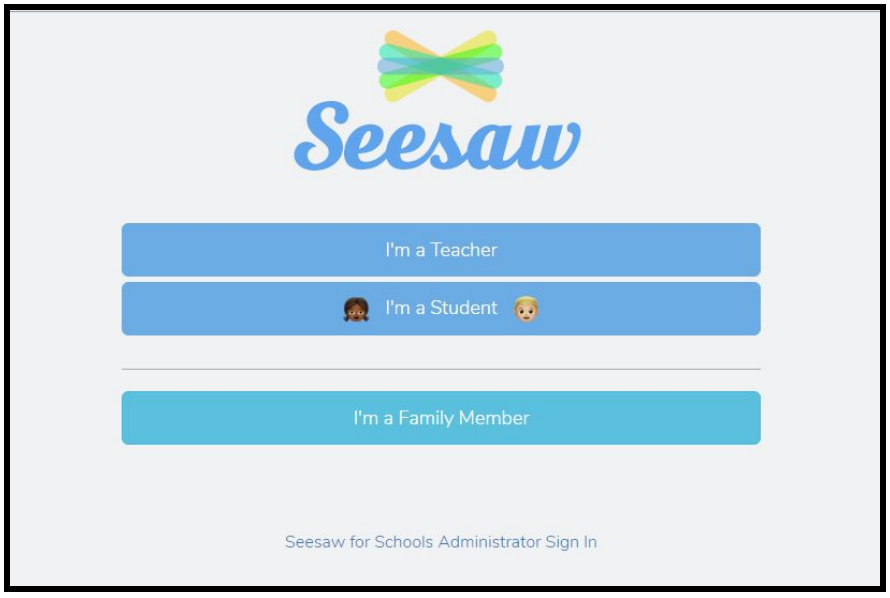
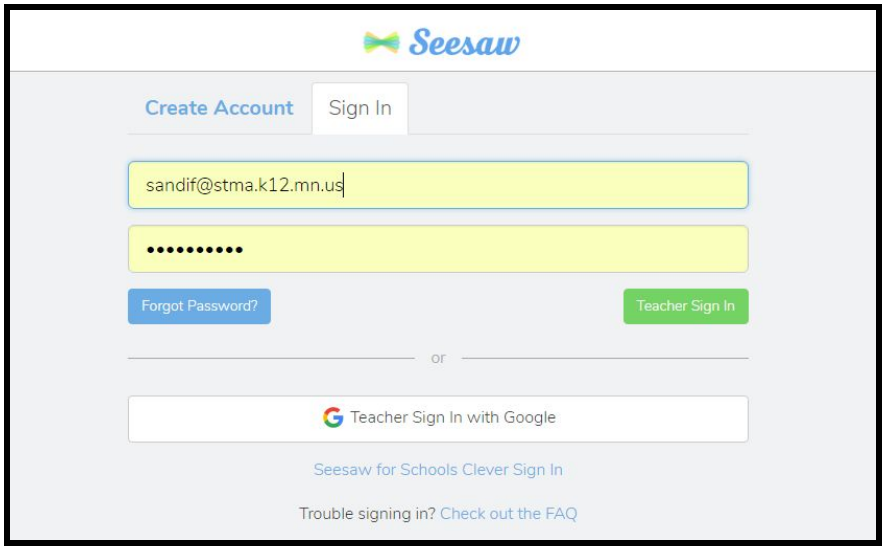
Adding A Journal Entry - Teacher - Feb 2019



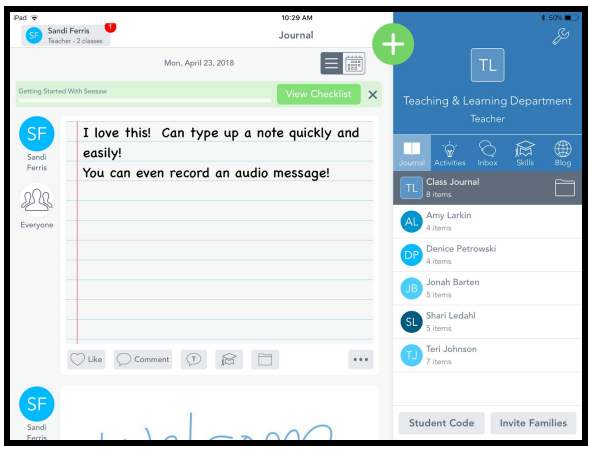
To log in: Go to seesaw.me

Click on "I'm a Teacher"

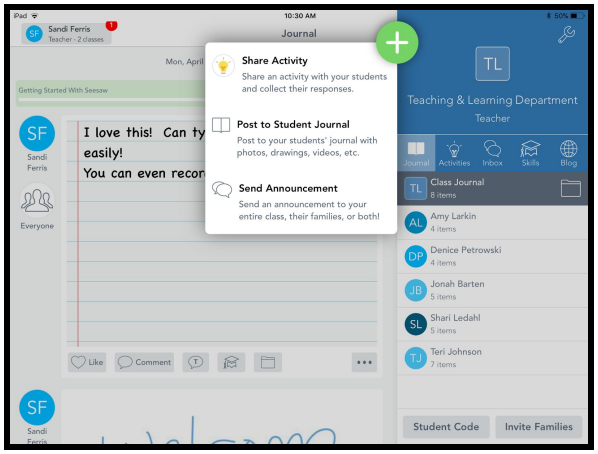


Enter your email and the password that Seesaw sent you (PLease let Sandi know if you need it)

Click "Teacher Sign In"



Click on the Green Plus



Choose “Post to Student Journal”

(This is where you can add an activity or post an announcement too)

Choose what you would like to post

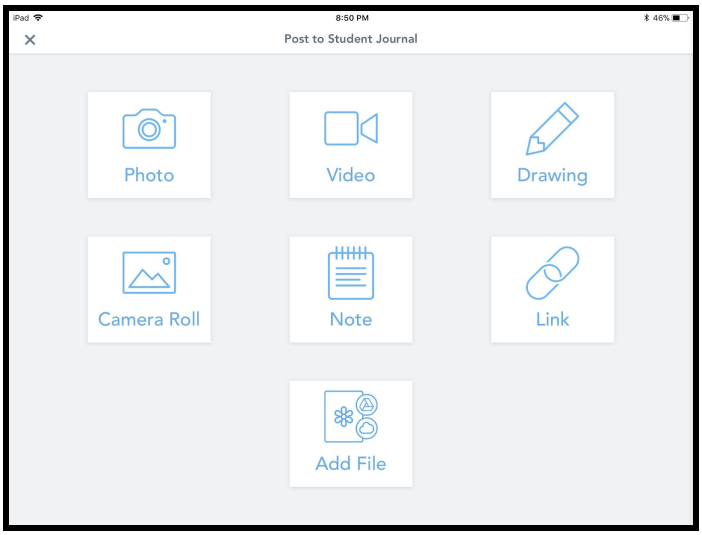


Photo - Use the camera to take a picture
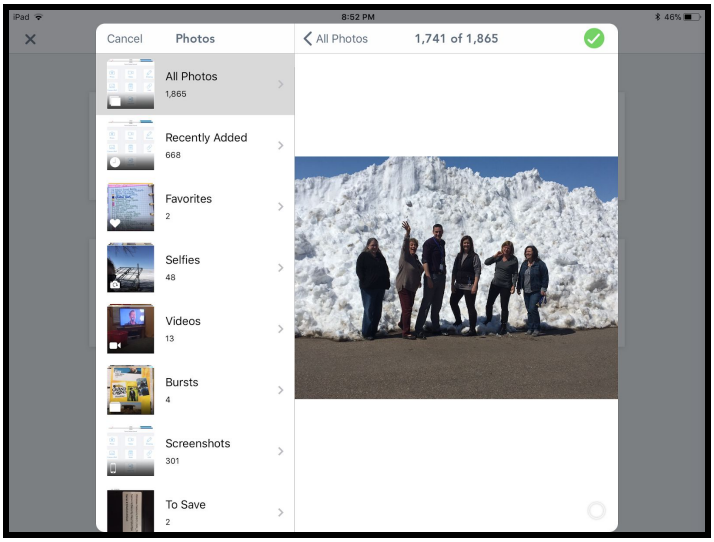
Camera Roll - a picture you already have on your device
Video - take a video
Notes - type a note on notepaper background
Add a File - (from a computer or Drive Folder
Drawing - Make a drawing (like a whiteboard)
Link - add a link to a website

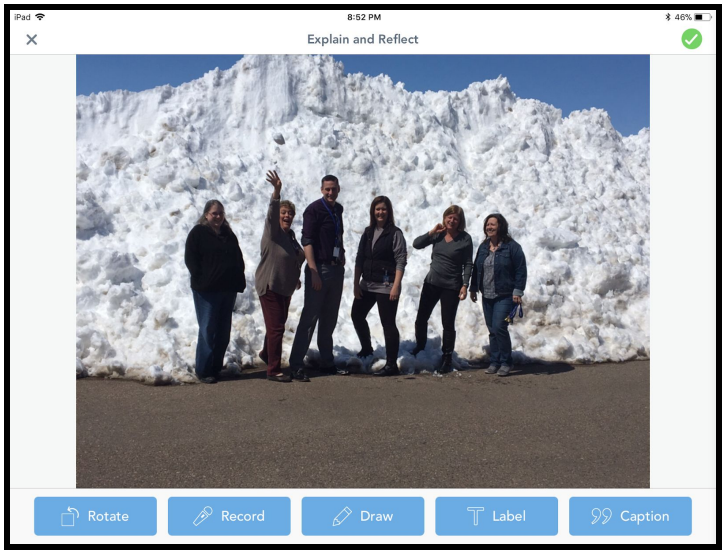
In this example I am going to use a photo I have already taken on my iPad - Choose Camera Roll



Click on all Photos

Find and Choose your photo

Click on the Green Arrow in the upper right corner



You can edit the photo

Rotate - rotate the photo
Record - add audio narration
Draw - add writing or drawings
Label - add a text label and move it on the photo
Caption - add a text caption underneath the photo

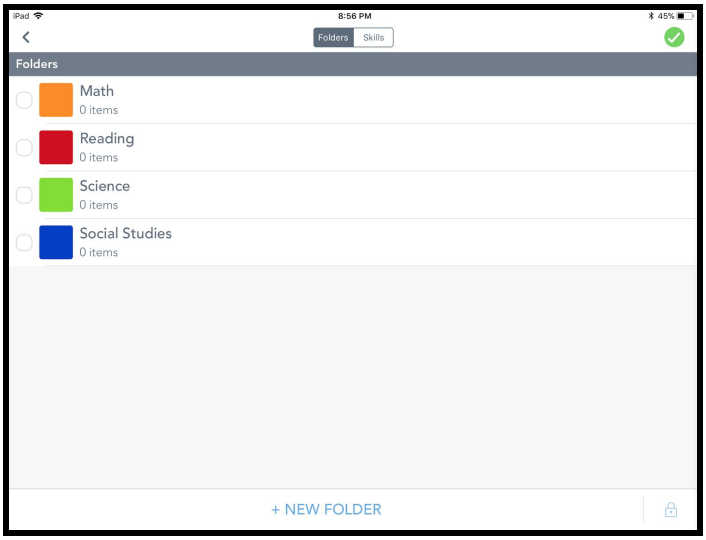
This example I added a label (April 12th), drew on it (melt date?), and added a caption (Snow pile fun!)

When finished click on the green arrow

Choose where you want it to be posted.

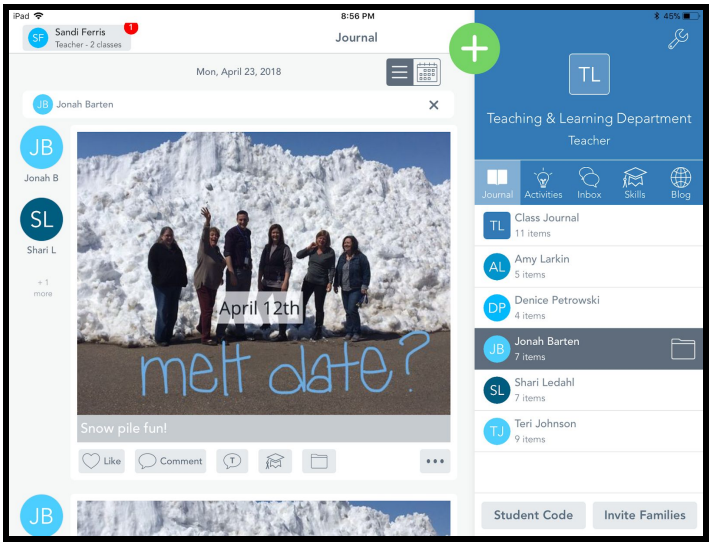
Can choose Everyone (in the class) or choose one student or multiple students

Click the green arrow



If you have folders created you can choose a folder.

If you don't want it in a folder and just want it posted don't choose one and click the green arrow



You will now see it in the stream of your class.

The initials on the left will show what journals it was posted to (JB & SL). If you had posted it to the whole class it would list everyone.
